

PUBLIC NOTICE

Implementation of Corporate Income Tax on Taxpayer Online Services (TPOS)

We wish to inform that the implementation (Go-Live date) for the new Corporate Income Tax (CIT) process for tax years from 2015 to 2021 on the Taxpayer Online Services (TPOS) has been deferred. Taxpayers and Tax Agents can continue to manually file their CIT returns to the Fiji Revenue and Customs Service (FRCS) until further notice.

Prior to implementation of the CIT process on TPOS, FRCS will conduct thorough consultation and awareness to eliminate any misunderstanding before it goes live. This is to ensure that we have an automated process that is simple and easy to use and also promotes productivity and cost efficiency.
